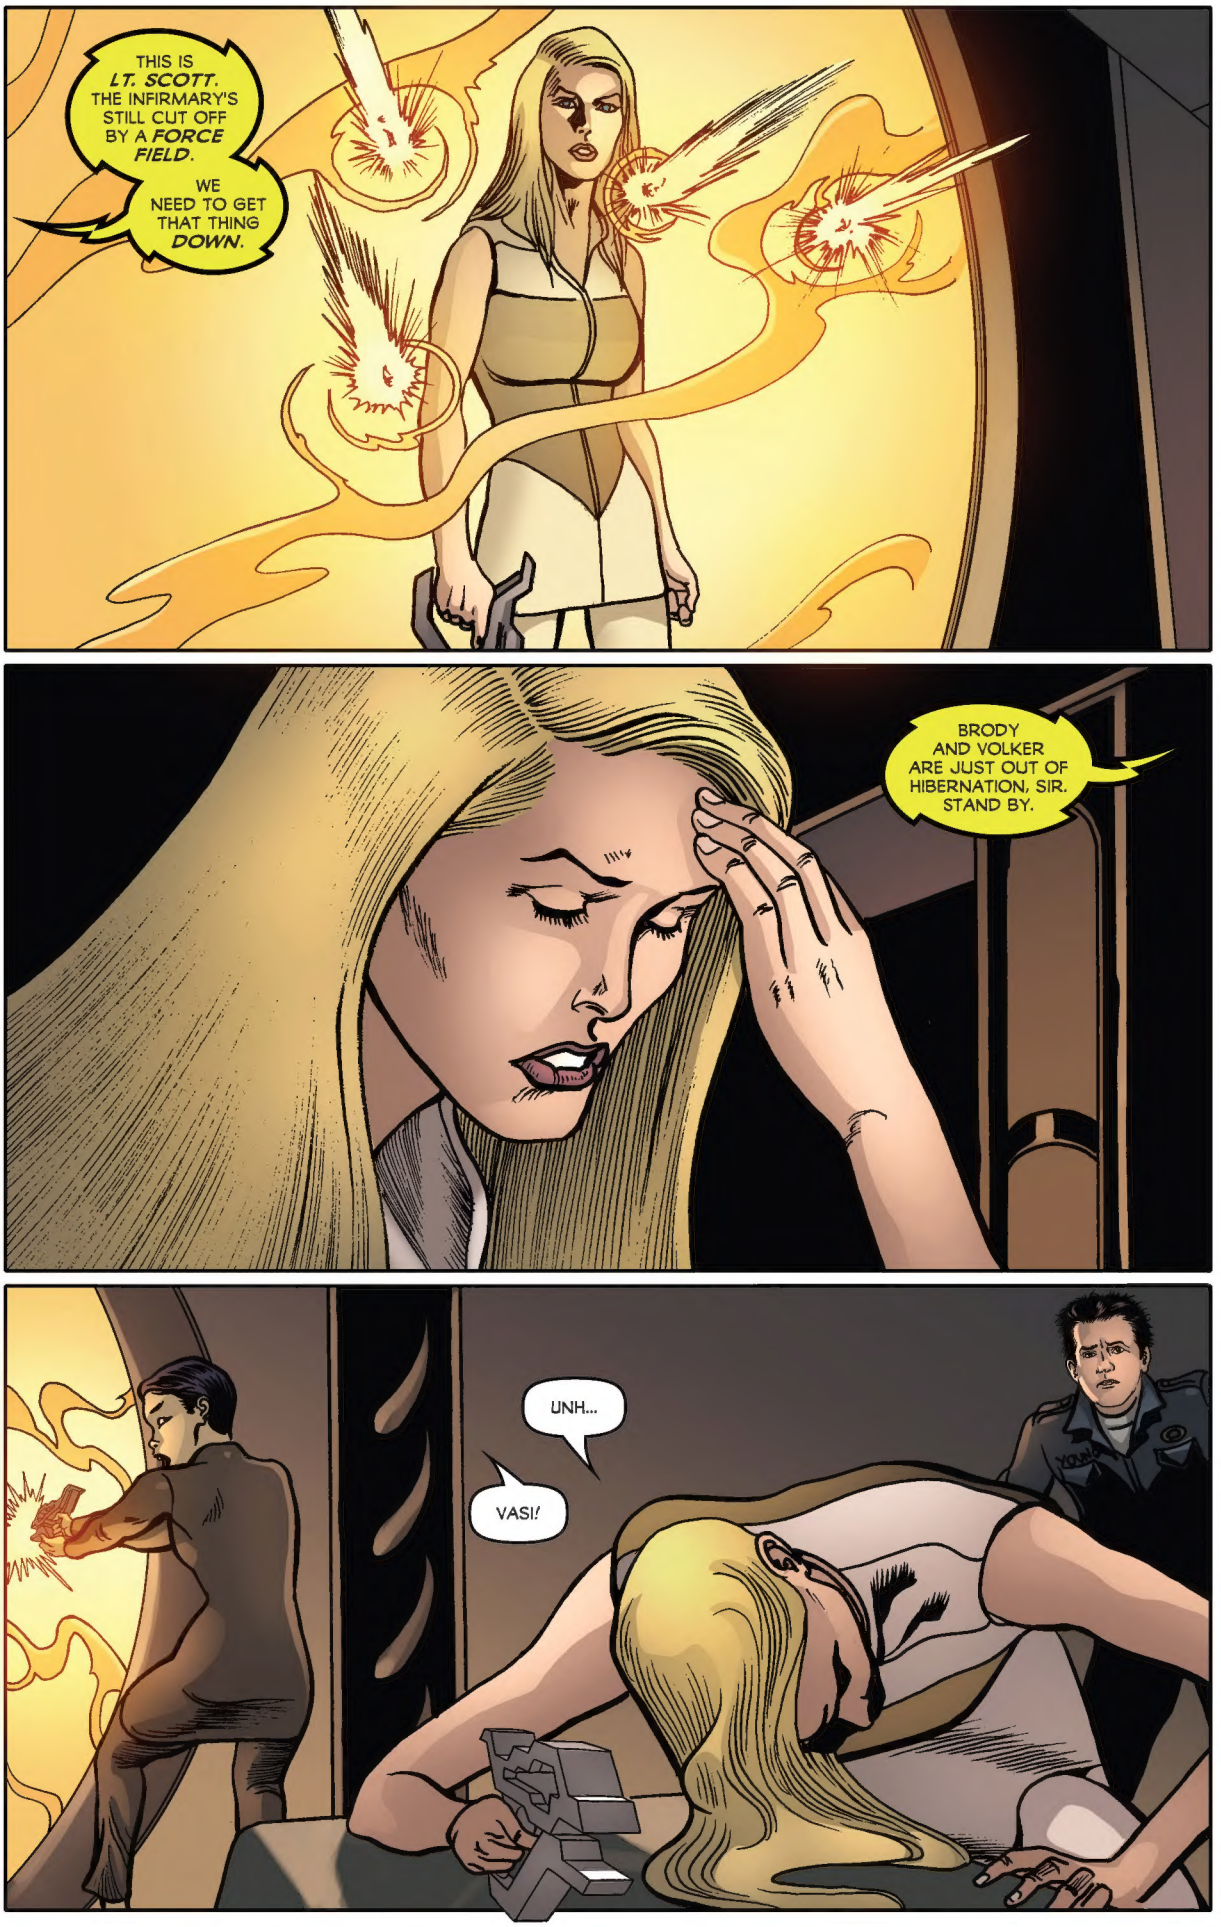
Metro Goldwyn Mayer TRADE MARK MGM

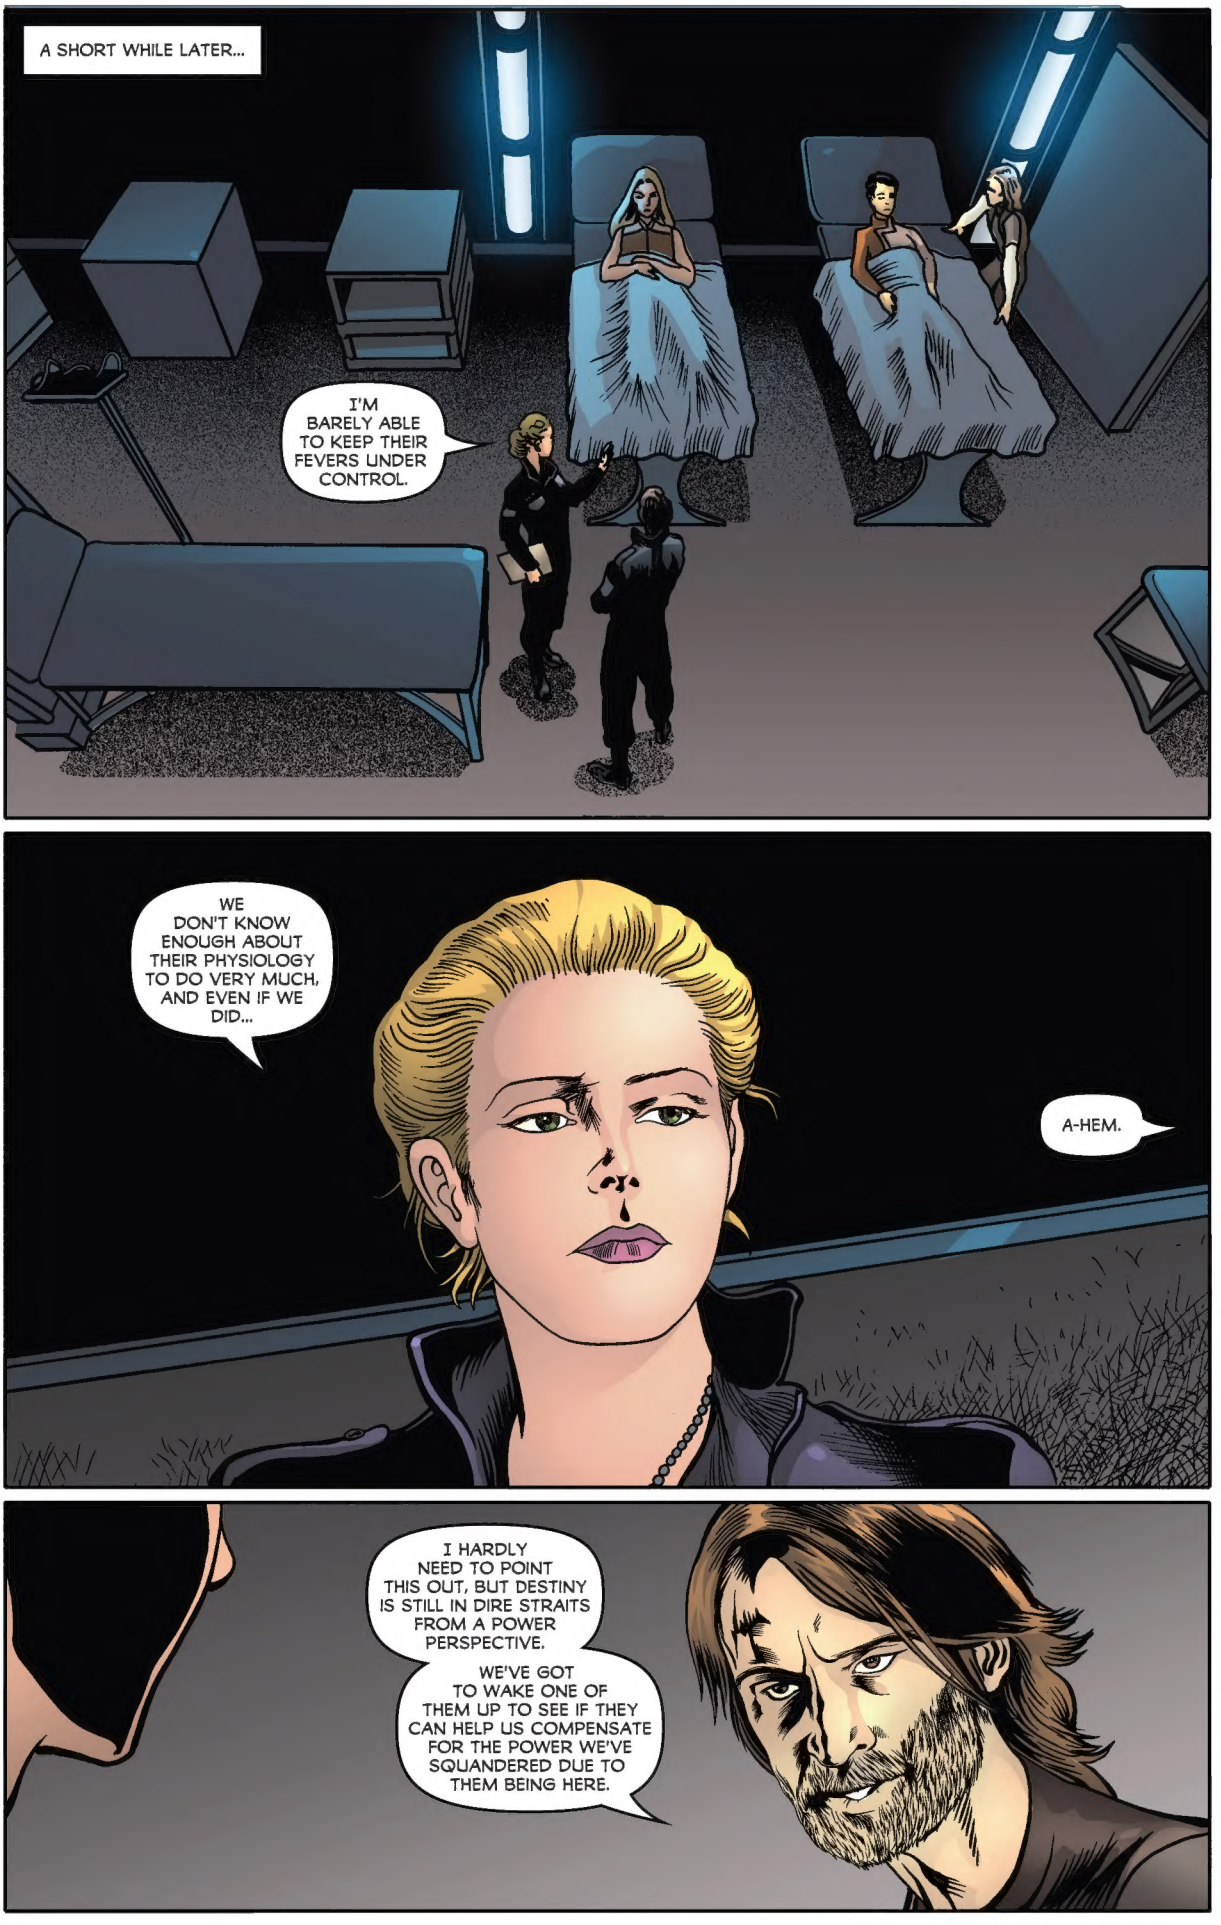


THIS IS LT. SCOTT. THE INFIRMARY'S STILL CUT OFF BY A FORCE FIELD.
WE NEED TO GET THAT THING DOWN.
BRODY AND VOLKER ARE JUST OUT OF HIBERNATION, SIR. STAND BY.
UNH...
VASI!

FZZZZAP!
UNNHH...
TJ, SEE TO THAT ONE I SHOT. I'M *PRETTY SURE* IT WAS ON *STUN*.
RUSH, ELI, TURN OFF THAT FORCE FIELD.
WE CAN'T. WE'RE LOCKED OUT OF ALL PRIMARY SYSTEMS.
THEY MUST HAVE CHANGED THE CODES.
YOU ARE HERE

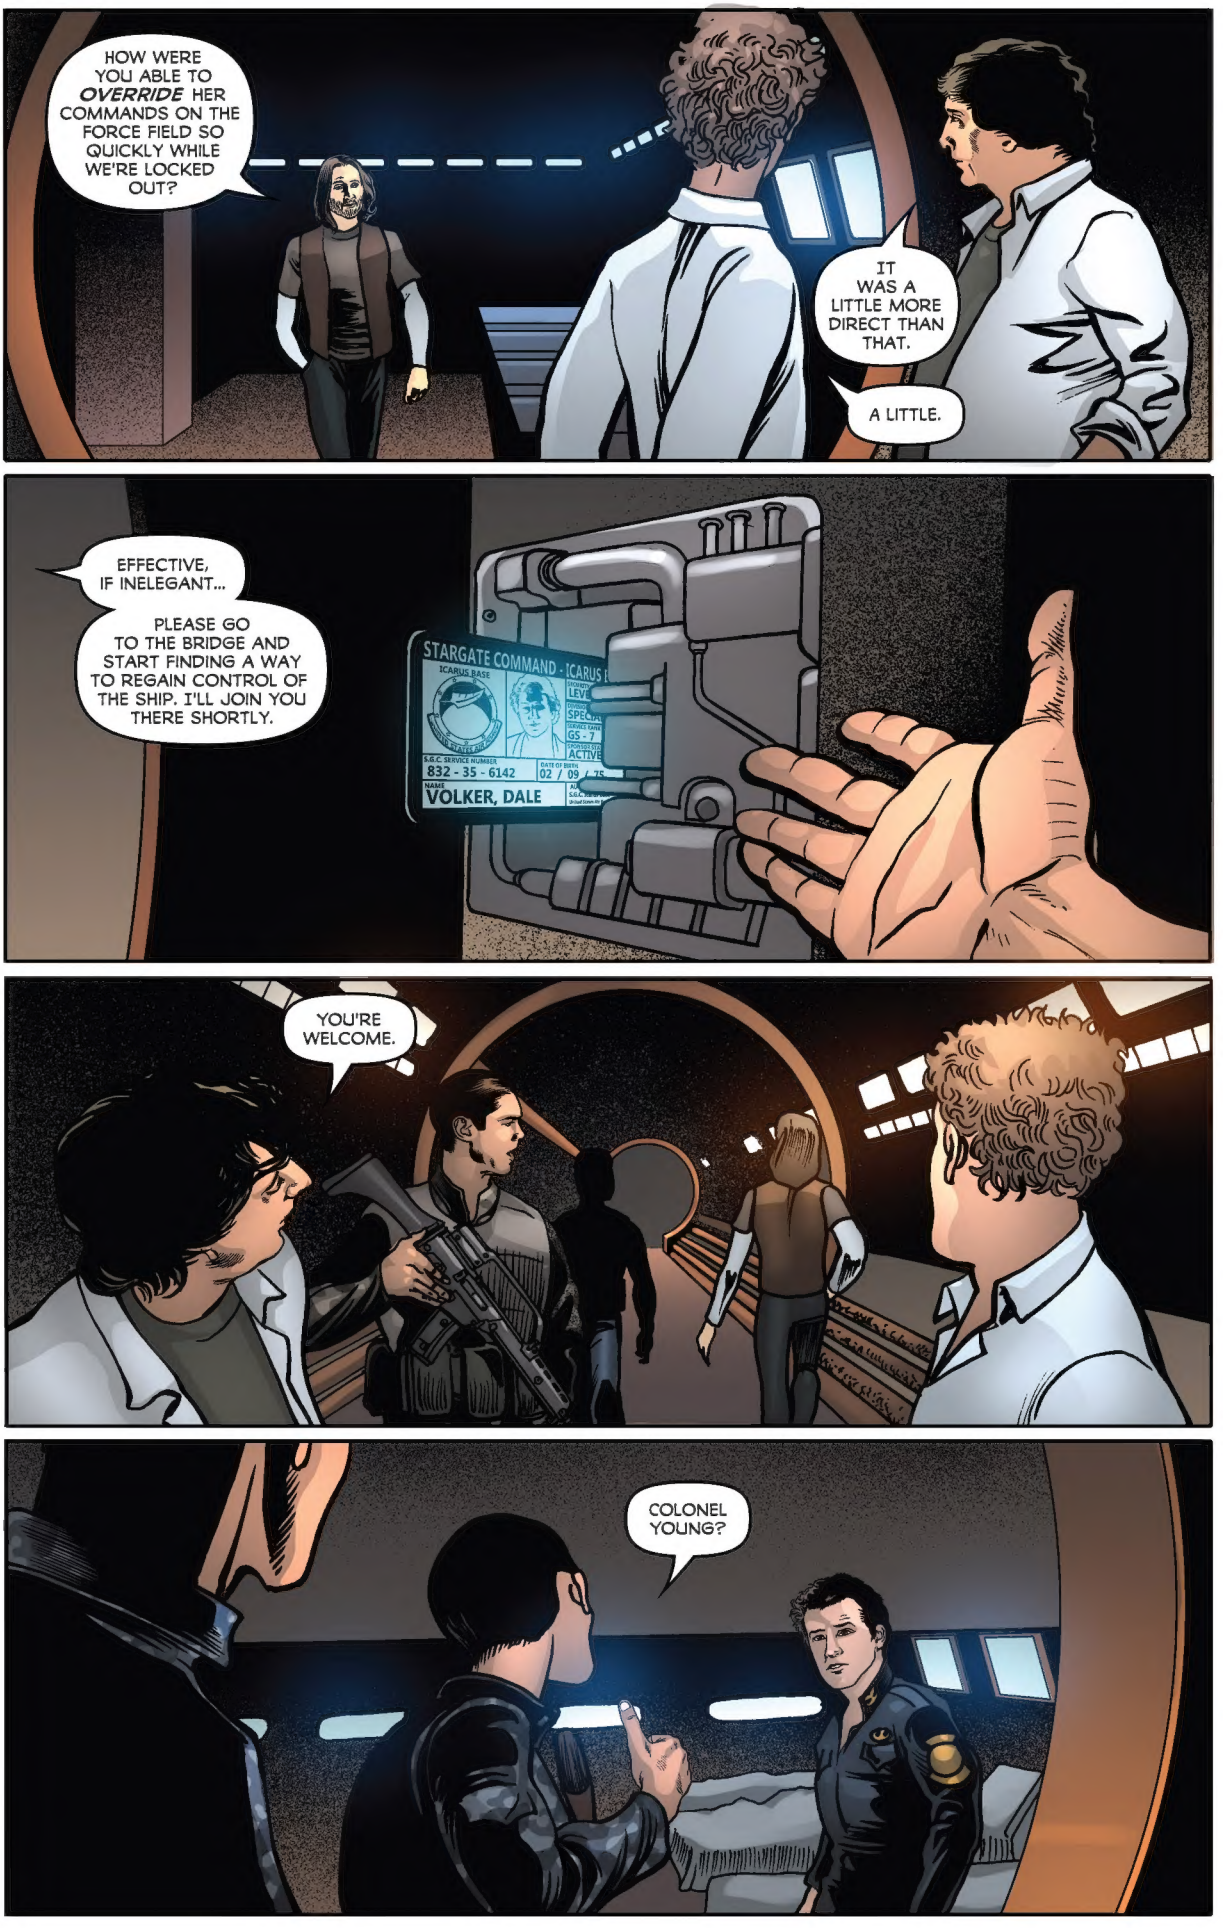
COLONEL, SHE'S OKAY, RELATIVELY SPEAKING, BUT I'M SURE SHE'S GOT WHATEVER THE REST OF THEM HAVE.
JOHANSEN
SINCE WE'RE NOT GOING ANYWHERE, ELI HELP TJ GET HER ONTO A BED.
LT. SCOTT, THIS IS COL. YOUNG. THE INTRUDERS HAVE BEEN SUBDUED. YOU CAN STAND YOUR TEAM DOWN.
BUT GET SOMEONE UP HERE TO FIGURE OUT THIS FORCE FIELD.
COPY THAT, SIR.

DOCTORS BRODY AND VOLKER ARE ON THE WAY AND THEY'LL BE WORKING ON THE SHIELD *MOMENTARILY*.
ALRIGHT, THEN. USE THE *STONES* TO CONTACT HOMEWORLD COMMAND AND EXPLAIN OUR SITUATION AND REQUEST MEDICAL ASSISTANCE...
WITHOUT MENTIONING WHO THE ASSISTANCE IS FOR. UNDERSTAND?
YOUNG
YES, SIR. I'M ON IT.



A SHORT WHILE LATER...
I'M BARELY ABLE TO KEEP THEIR FEVERS UNDER CONTROL.
WE DON'T KNOW ENOUGH ABOUT THEIR PHYSIOLOGY TO DO VERY MUCH, AND EVEN IF WE DID...
A-HEM.
I HARDLY NEED TO POINT THIS OUT, BUT DESTINY IS STILL IN DIRE STRAITS FROM A POWER PERSPECTIVE.
WE'VE GOT TO WAKE ONE OF THEM UP TO SEE IF THEY CAN HELP US COMPENSATE FOR THE POWER WE'VE SQUANDERED DUE TO THEM BEING HERE.

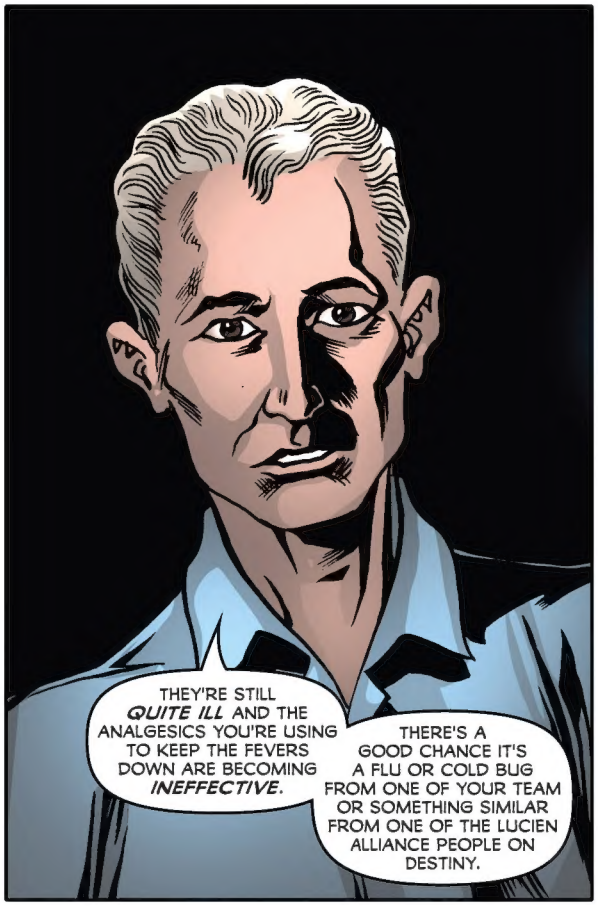
COLONEL, WE HAVE NO IDEA WHAT THAT WOULD DO TO ANY OF THEM.
BUT WE DO HAVE A VERY BAD IDEA OF WHAT IS GOING TO HAPPEN TO ALL OF US IF WE RUN OUT OF POWER, DON'T WE?
COLONEL, THIS IS GREER. THE FORCE FIELD IS DOWN. I'M COMING IN.
LT. SCOTT SAYS HELP SHOULD BE HERE SHORTLY, SIR.
QUICK THINKING, DOCTOR.
THANK YOU, DOCTOR.



HOW WERE YOU ABLE TO *OVERRIDE* HER COMMANDS ON THE FORCE FIELD SO QUICKLY WHILE WE'RE LOCKED OUT?
IT WAS A LITTLE MORE DIRECT THAN THAT.
A LITTLE.
EFFECTIVE, IF INELEGANT...
PLEASE GO TO THE BRIDGE AND START FINDING A WAY TO REGAIN CONTROL OF THE SHIP. I'LL JOIN YOU THERE SHORTLY.
STARGATE COMMAND - ICARUS
ICARUS BASE
S.G.C. SERVICE NUMBER
832 - 35 - 6142
NAME
VOLKER, DALE
YOU'RE WELCOME.
COLONEL YOUNG?

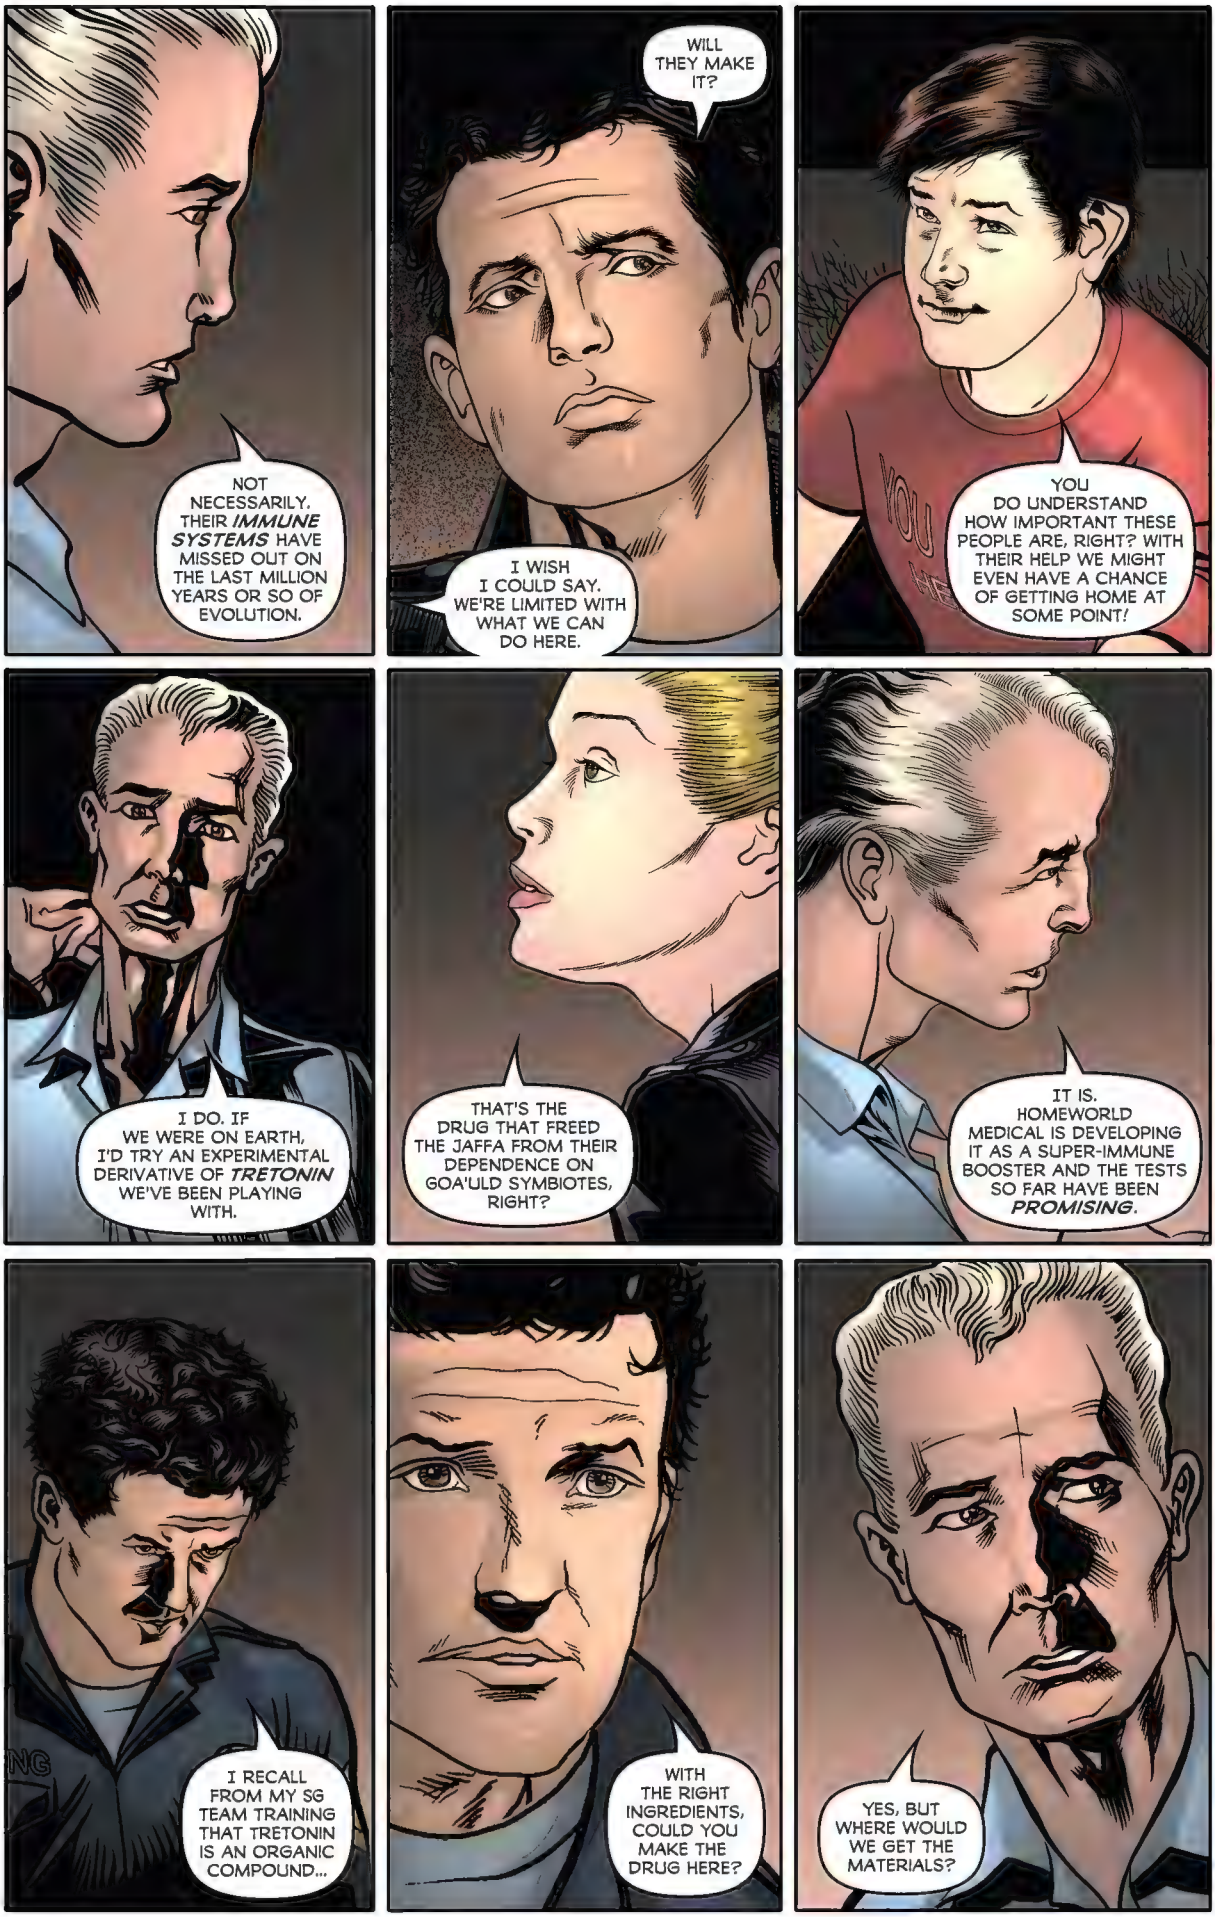
THIS IS DR. GARY GUZZO FROM HOMEWORLD COMMAND MEDICAL.
PLEASED TO MEET YOU, COLONEL. WHERE ARE MY PATIENTS?

LATER...
I HAVE TO COMPLIMENT LT. JOHANSEN AND YOUR TEAM, COLONEL. WHAT YOU'VE BEEN ABLE TO ACHIEVE HERE WITHOUT MUCH TO WORK WITH IS VERY IMPRESSIVE.
BUT LET'S TALK ABOUT THE LANTEANS.
YOU ARE HERE HERE

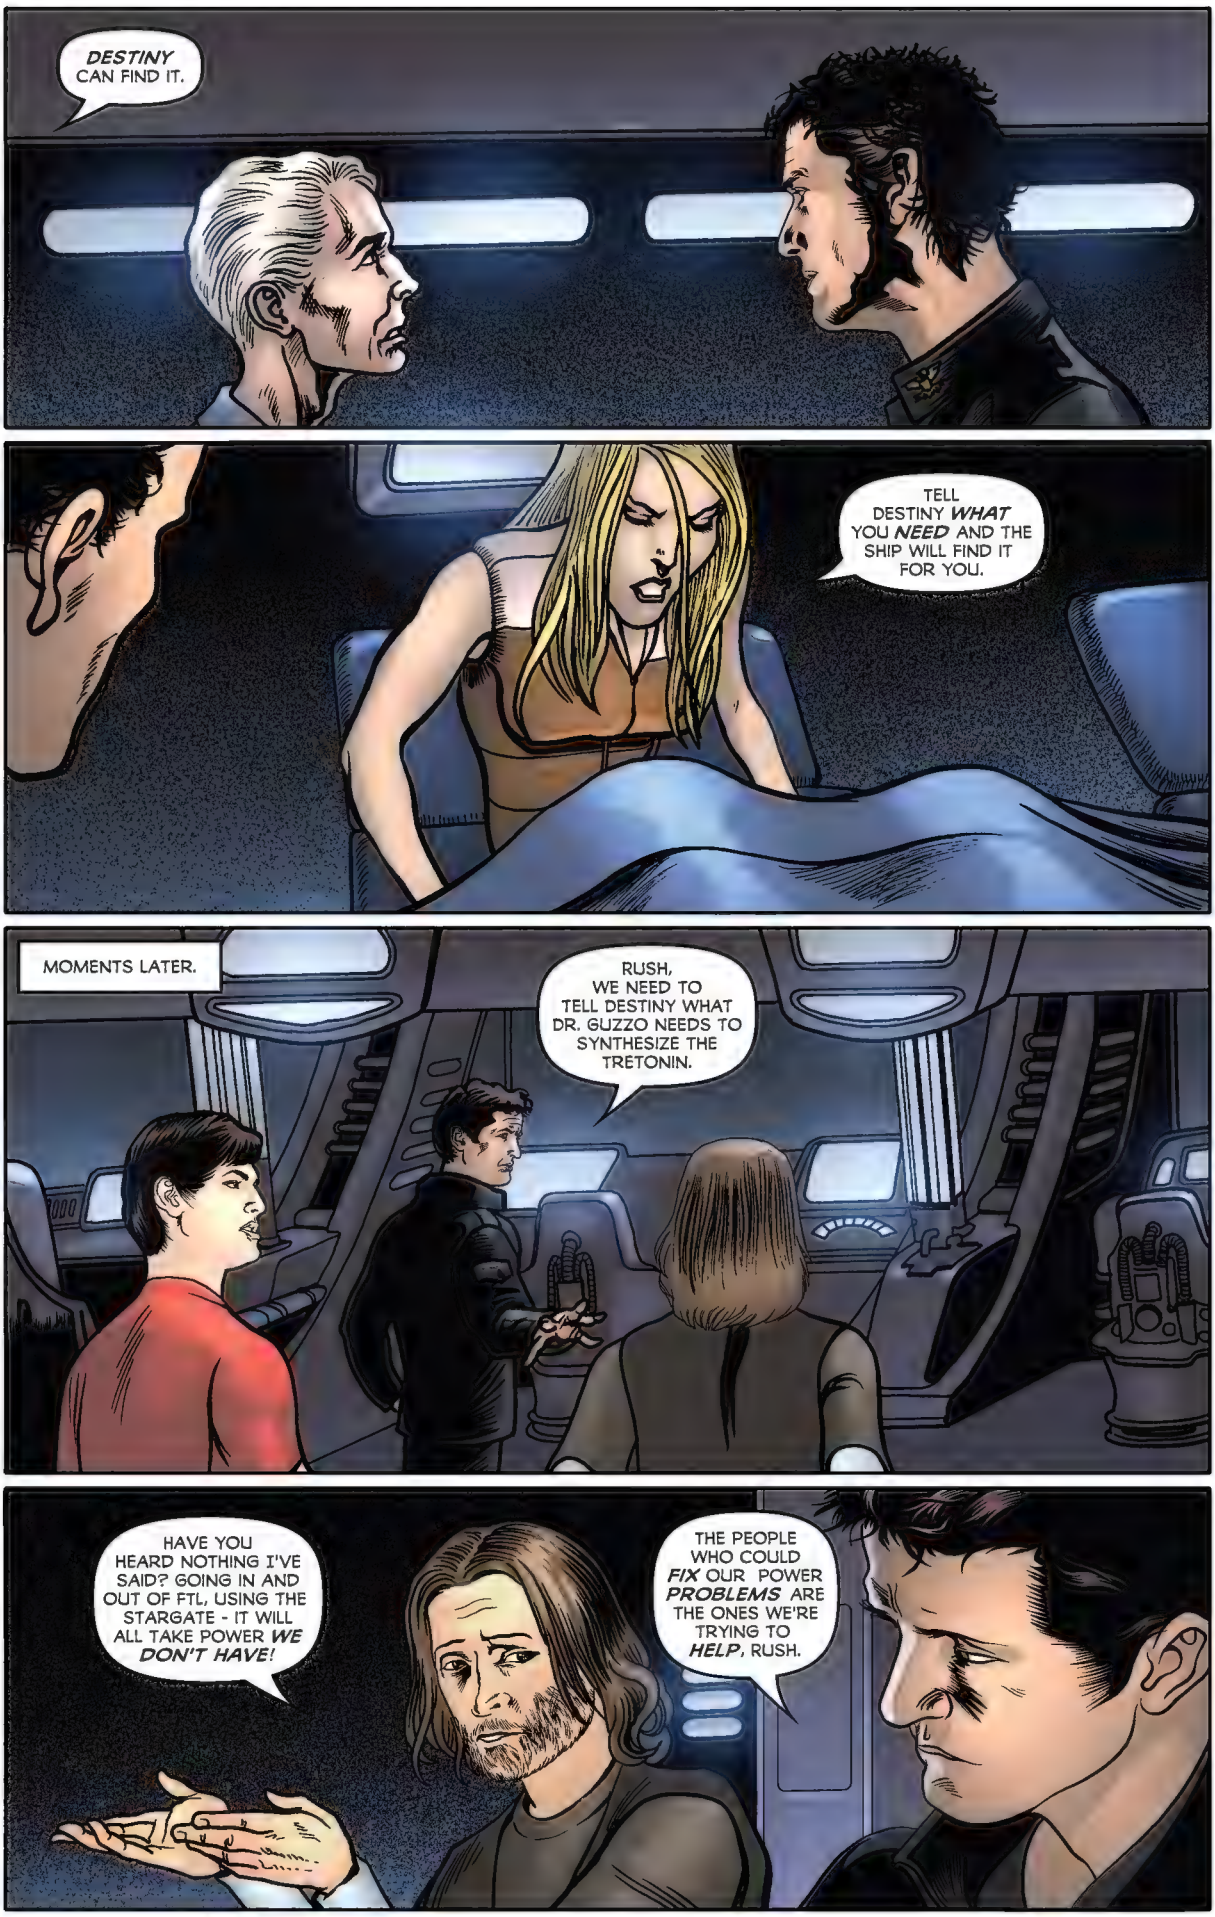


THEY'RE STILL QUITE ILL AND THE ANALGESICS YOU'RE USING TO KEEP THE FEVERS DOWN ARE BECOMING INEFFECTIVE.
THERE'S A GOOD CHANCE IT'S A FLU OR COLD BUG FROM ONE OF YOUR TEAM OR SOMETHING SIMILAR FROM ONE OF THE LUCIEN ALLIANCE PEOPLE ON DESTINY.

SHOULDN'T THEY BE ABLE TO FIGHT THAT OFF?

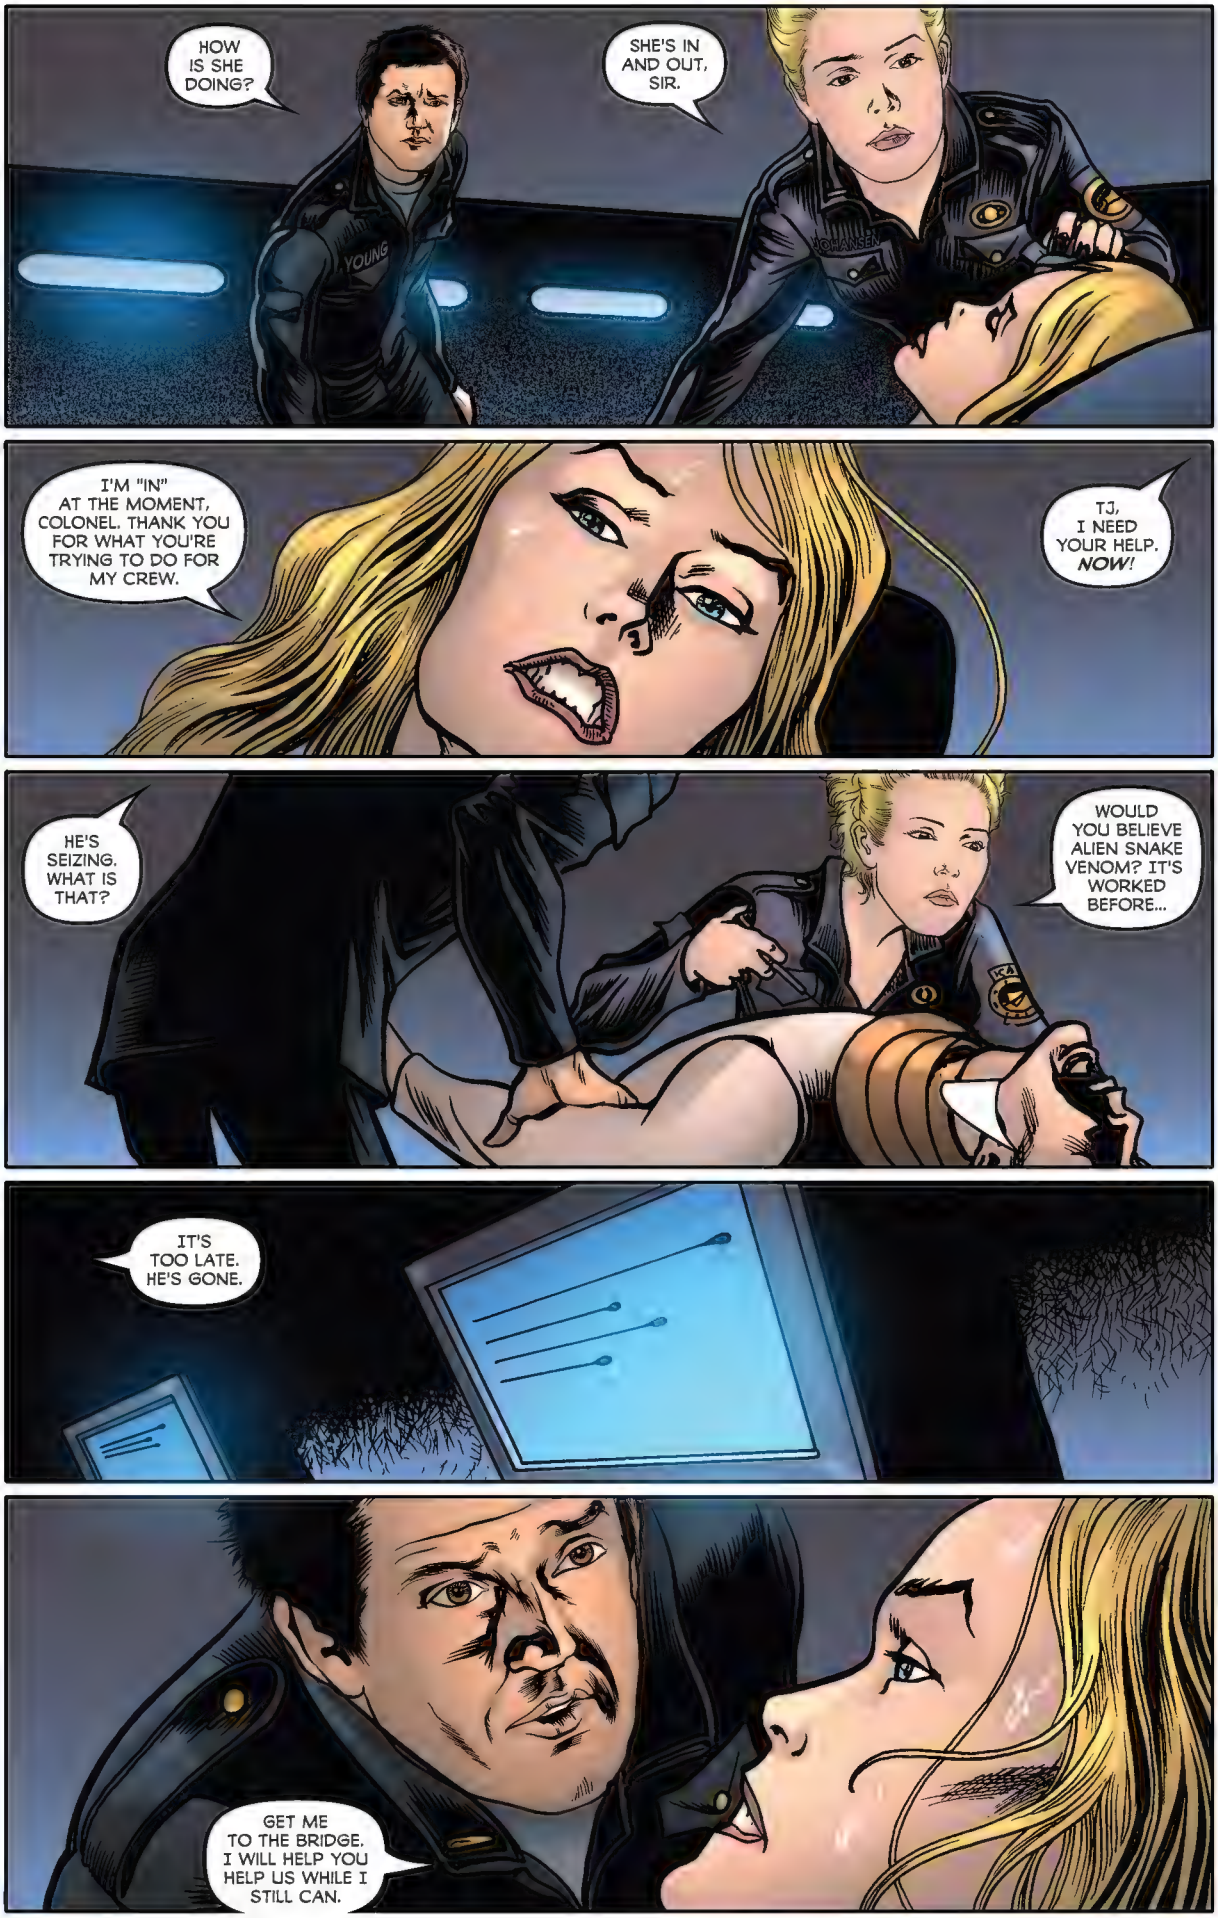


NOT NECESSARILY. THEIR *IMMUNE SYSTEMS* HAVE MISSED OUT ON THE LAST MILLION YEARS OR SO OF EVOLUTION.
WILL THEY MAKE IT?
I WISH I COULD SAY. WE'RE LIMITED WITH WHAT WE CAN DO HERE.
YOU DO UNDERSTAND HOW IMPORTANT THESE PEOPLE ARE, RIGHT? WITH THEIR HELP WE MIGHT EVEN HAVE A CHANCE OF GETTING HOME AT SOME POINT!
I DO. IF WE WERE ON EARTH, I'D TRY AN EXPERIMENTAL DERIVATIVE OF *TRETONIN* WE'VE BEEN PLAYING WITH.
THAT'S THE DRUG THAT FREED THE JAFFA FROM THEIR DEPENDENCE ON GOA'ULD SYMBIOTES, RIGHT?
IT IS. HOMEWORLD MEDICAL IS DEVELOPING IT AS A SUPER-IMMUNE BOOSTER AND THE TESTS SO FAR HAVE BEEN *PROMISING*.
I RECALL FROM MY SG TEAM TRAINING THAT TRETONIN IS AN ORGANIC COMPOUND...
WITH THE RIGHT INGREDIENTS, COULD YOU MAKE THE DRUG HERE?
YES, BUT WHERE WOULD WE GET THE MATERIALS?

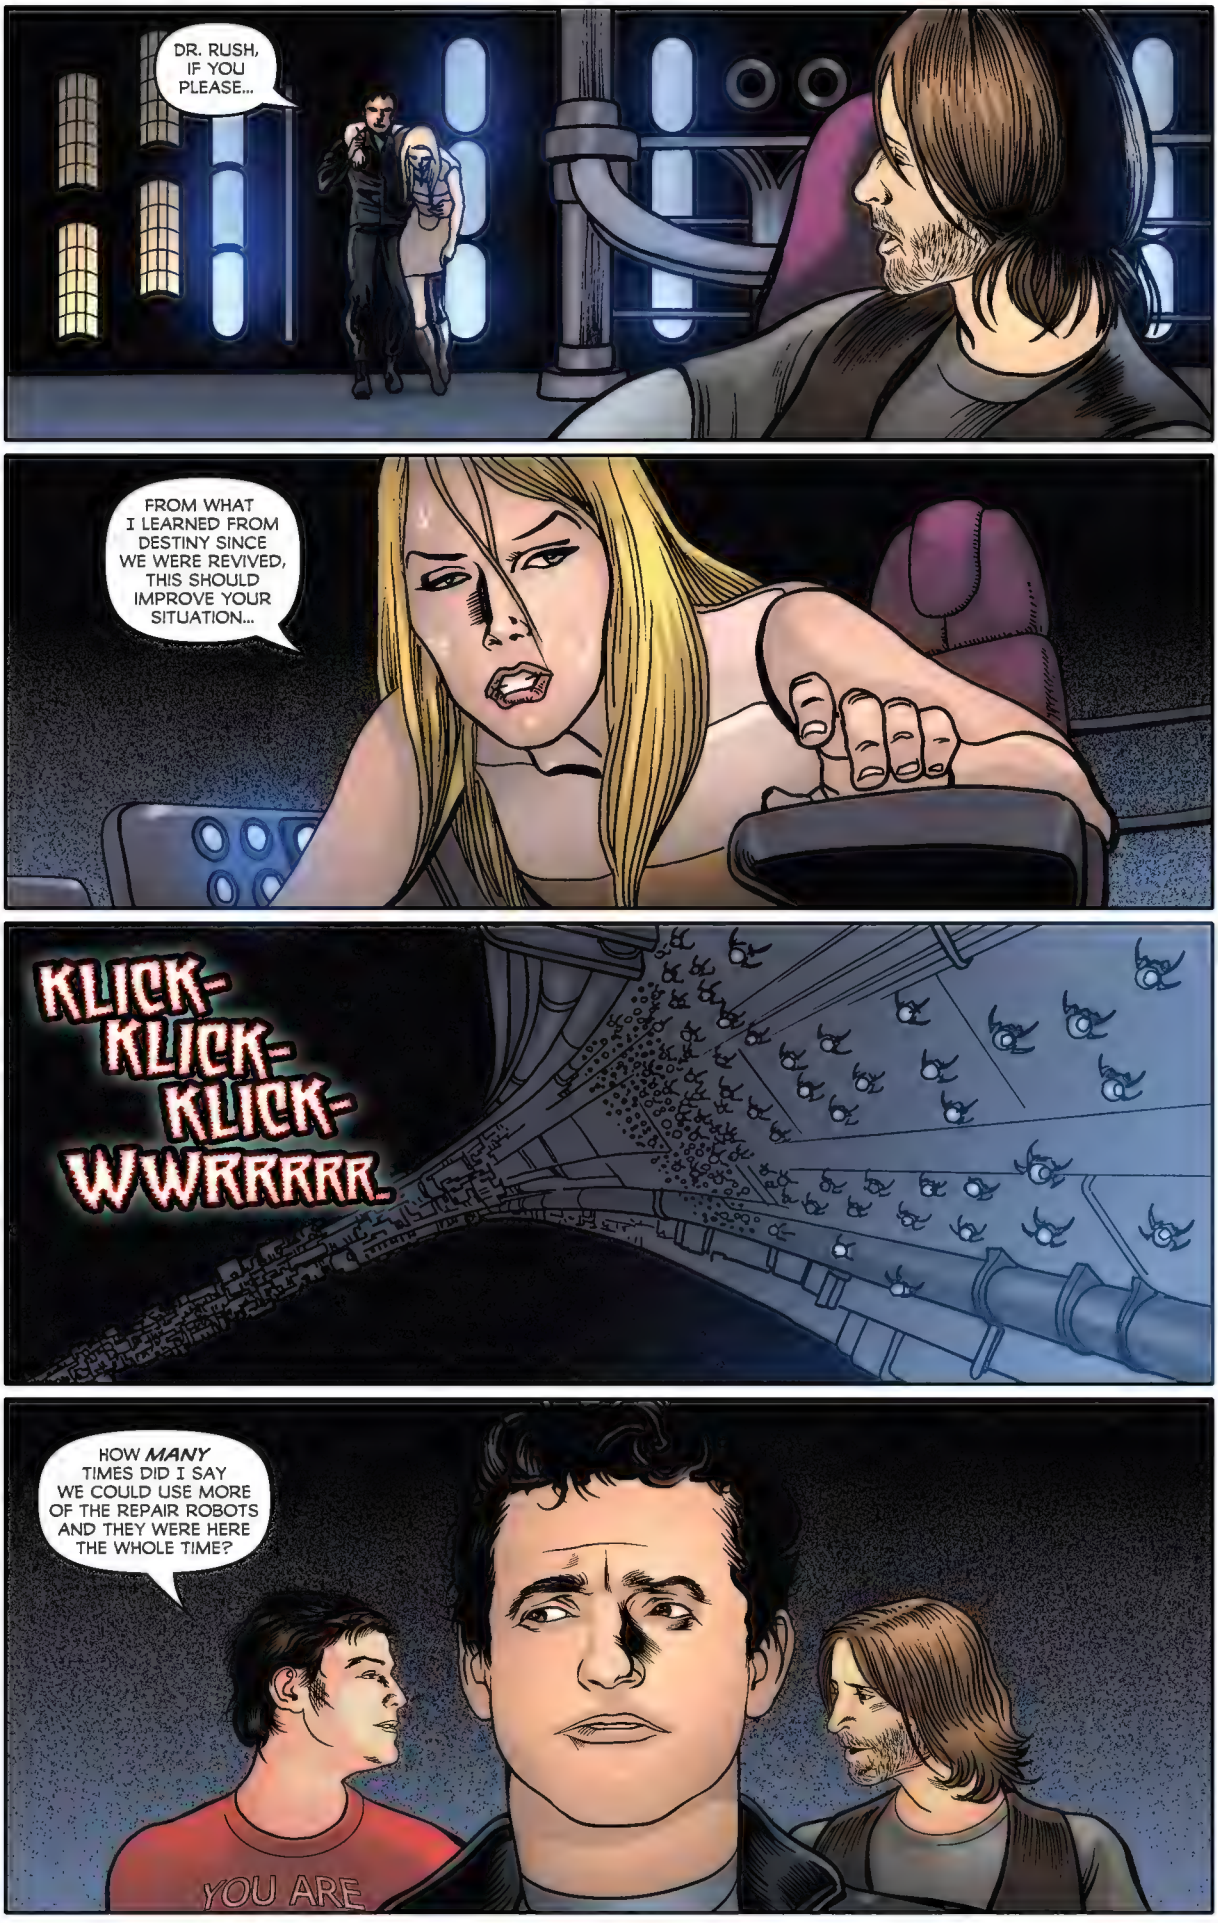


DESTINY CAN FIND IT.
TELL DESTINY WHAT YOU NEED AND THE SHIP WILL FIND IT FOR YOU.
MOMENTS LATER.
RUSH, WE NEED TO TELL DESTINY WHAT DR. GUZZO NEEDS TO SYNTHESIZE THE TRETONIN.
HAVE YOU HEARD NOTHING I'VE SAID? GOING IN AND OUT OF FTL, USING THE STARGATE - IT WILL ALL TAKE POWER WE DON'T HAVE!
THE PEOPLE WHO COULD FIX OUR POWER PROBLEMS ARE THE ONES WE'RE TRYING TO HELP, RUSH.

OF COURSE WE HAVE NO IDEA HOW LONG IT WILL TAKE DESTINY TO FIND A PLANET WHEN WE DROP OUT OF FTL...
YOUNG
YOU ARE HERE
THEN AGAIN, MAYBE IT WON'T BE THAT LONG AT ALL...
DESTINY'S PRIORITIZED A LIST OF GATE ADDRESSES. THAT WAS FAST, WASN'T IT?
LONG RANGE SENSORS SHOW...
...THE SYSTEM IS INFESTED WITH THE DRONES AND AT LEAST ONE CONTROL SHIP. GREAT. JUST GREAT.



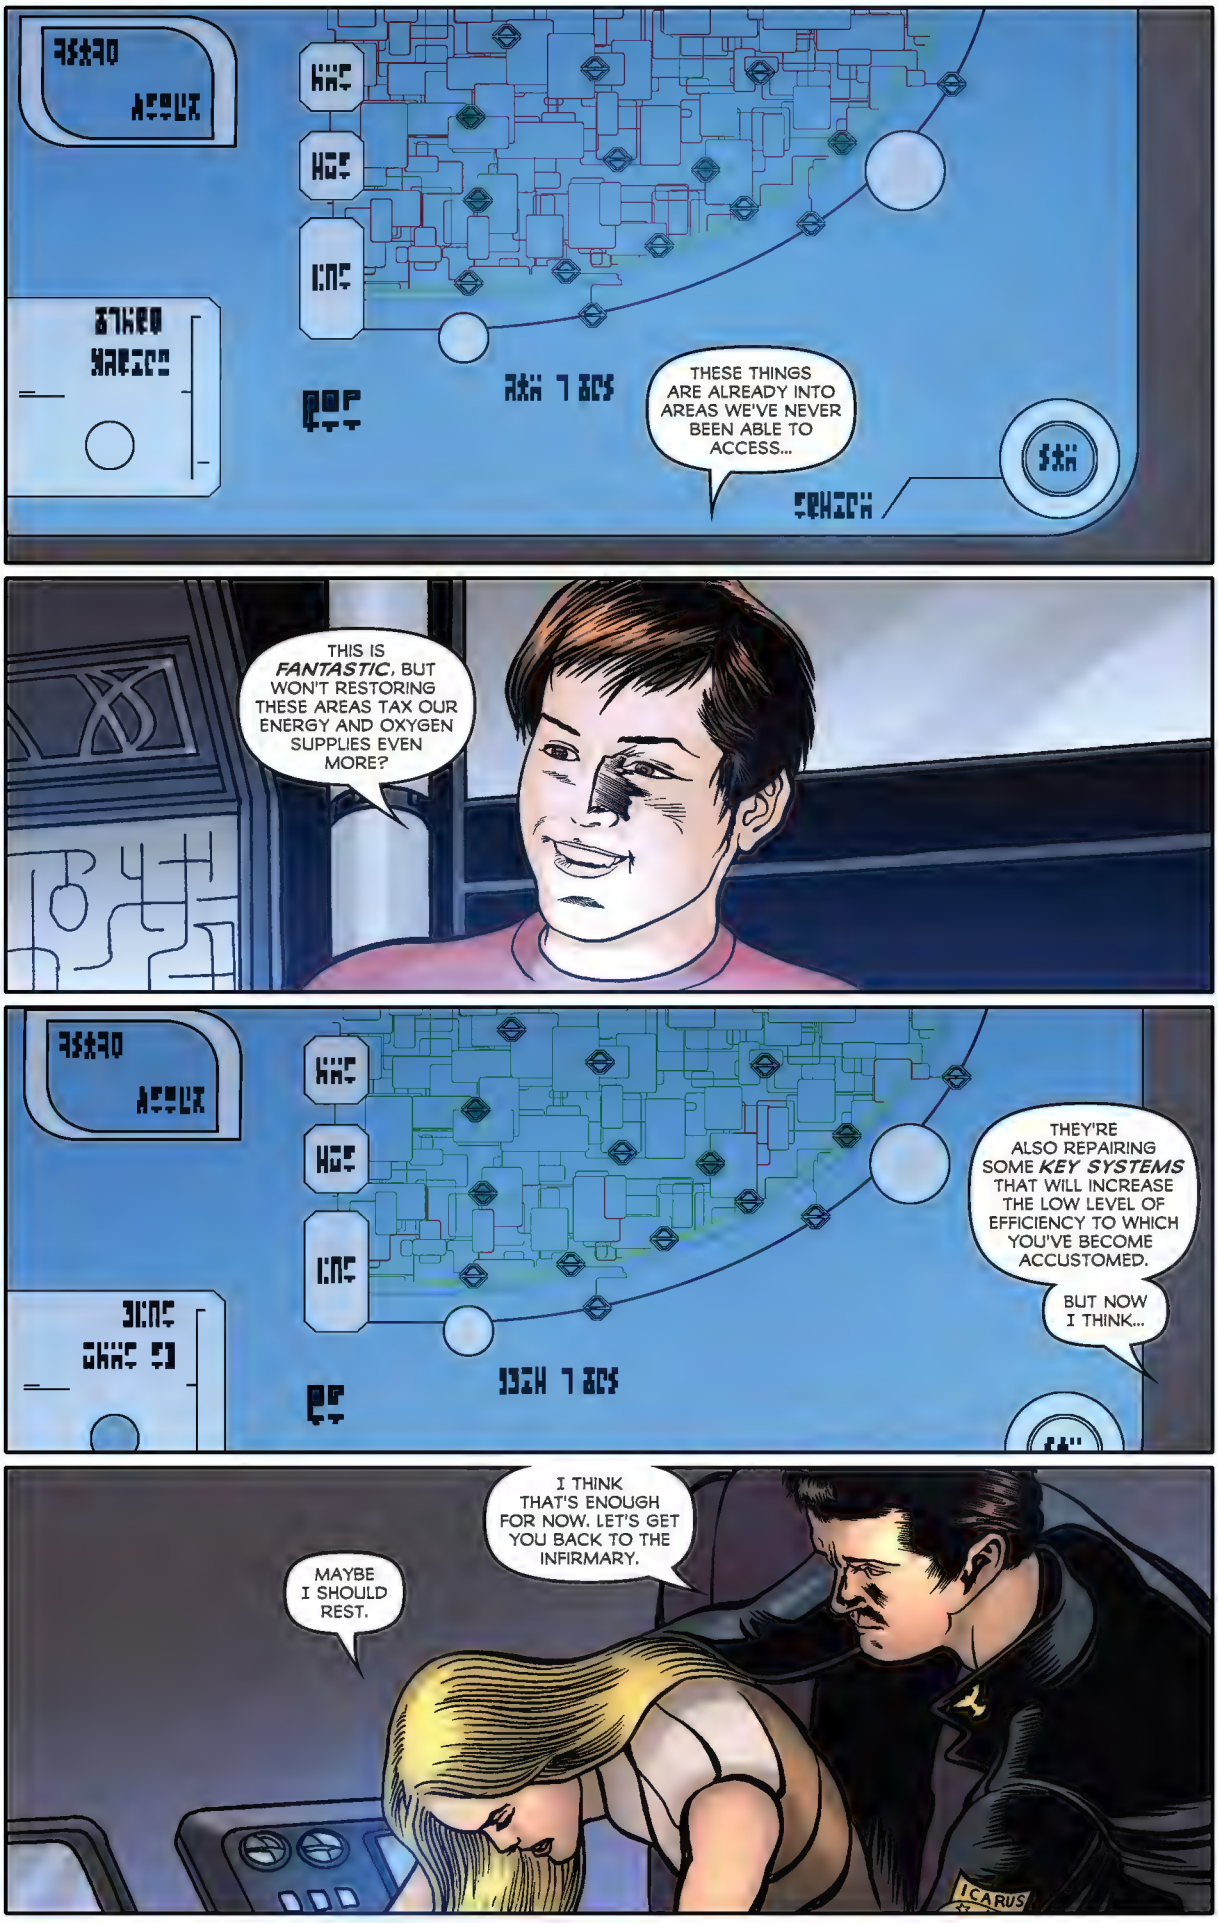
HOW IS SHE DOING?
SHE'S IN AND OUT, SIR.
YOUNG
JOHANSEN
I'M "IN" AT THE MOMENT, COLONEL. THANK YOU FOR WHAT YOU'RE TRYING TO DO FOR MY CREW.
TJ, I NEED YOUR HELP. NOW!
HE'S SEIZING. WHAT IS THAT?
WOULD YOU BELIEVE ALIEN SNAKE VENOM? IT'S WORKED BEFORE...
IT'S TOO LATE. HE'S GONE.
GET ME TO THE BRIDGE. I WILL HELP YOU HELP US WHILE I STILL CAN.



DR. RUSH, IF YOU PLEASE...
FROM WHAT I LEARNED FROM DESTINY SINCE WE WERE REVIVED, THIS SHOULD IMPROVE YOUR SITUATION...
KLICK-
KLICK-
KLICK-
WWRRRRR_
HOW *MANY* TIMES DID I SAY WE COULD USE MORE OF THE REPAIR ROBOTS AND THEY WERE HERE THE WHOLE TIME?
YOU ARE

KLICK-
KLICK-
KLICK-
WWRRRRR
VASI, ARE YOU ALRIGHT?
I JUST NEED TO CONCENTRATE...
YOUNG
WE SHOULD GET YOU BACK TO THE INFIRMARY NOW.
NO, JUST A BIT LONGER...

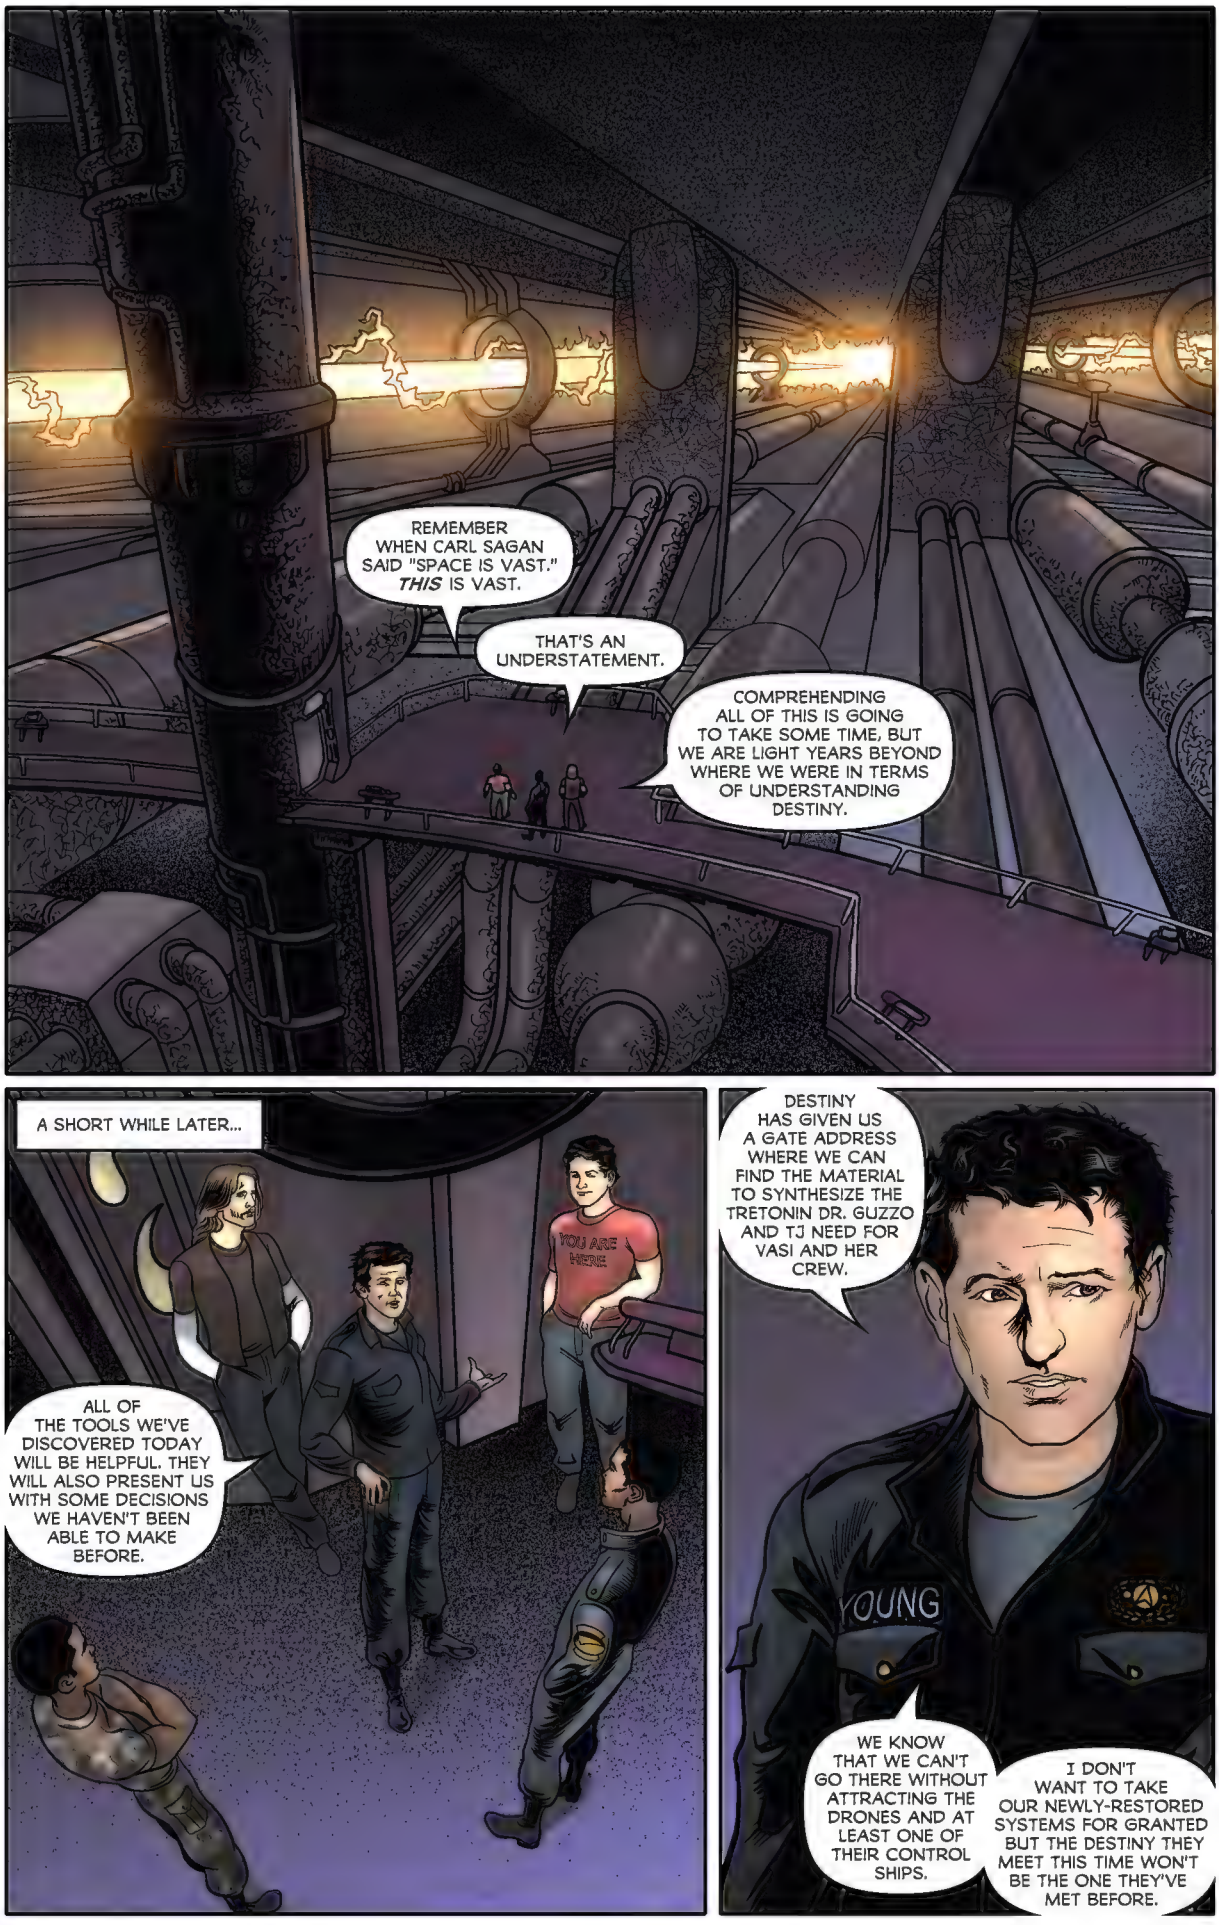
I'VE INSTRUCTED THE DRONES TO *REPAIR* WHAT THEY CAN UNTIL THEIR INTERNAL POWER CELLS RUN OUT.
THEY WILL *CONCENTRATE* ON GETTING ACCESS RESTORED TO THE MAIN ENGINEERING SECTION, COMPUTER NETWORK CONNECTIONS, AUXILIARY POWER SYSTEMS, AND ANYWHERE ELSE THEY CAN.
WAIT. WHEN THEY RUN OUT OF POWER, THEY CAN BE RECHARGED, RIGHT?
HAVING THE ABILITY TO MAKE REPAIRS THIS WAY WILL DRASTICALLY CHANGE THINGS FOR US, VASI.
THANK YOU.
INCREDIBLE.
THIS SECTION HAS BEEN OPEN TO SPACE FOR CENTURIES...
IT *WAS* OPEN TO SPACE. NOW IT'S NOT.



THESE THINGS ARE ALREADY INTO AREAS WE'VE NEVER BEEN ABLE TO ACCESS...
THIS IS *FANTASTIC*, BUT WON'T RESTORING THESE AREAS TAX OUR ENERGY AND OXYGEN SUPPLIES EVEN MORE?
THEY'RE ALSO REPAIRING SOME *KEY SYSTEMS* THAT WILL INCREASE THE LOW LEVEL OF EFFICIENCY TO WHICH YOU'VE BECOME ACCUSTOMED.
BUT NOW I THINK...
I THINK THAT'S ENOUGH FOR NOW. LET'S GET YOU BACK TO THE INFIRMARY.
MAYBE I SHOULD REST.
ICARUS

NEAR THE INFIRMARY.
LT. SCOTT, THIS IS COL. YOUNG. MEET ME AT THE MAIN ELEVATOR. I'M ON MY WAY BACK WITH VASI.
RUSH, DRAFT *WHOEVER YOU NEED* TO DETERMINE WHAT THESE NEWLY OPENED SECTIONS OF DESTINY DO.
GLADLY, COLONEL.
IN A NEWLY DISCOVERED CARGO HOLD...
BASED ON THE MANIFEST WE JUST ACCESSED, WE HAVE WHAT LOOKS TO BE SOME PRETTY KEY REPLACEMENT PARTS HERE.
BUT STILL NO COFFEE MAKER.
NEAR A PREVIOUSLY INACCESSIBLE AIRLOCK...
RUSH, THIS IS GREER. WE'VE GOT EIGHT NEW SPACESUITS HERE.

TWO HOURS LATER...
THE MAJOR FINDS HERE ARE EMERGENCY RATIONS - ENOUGH FOR A FULL CREW COMPLEMENT FOR MONTHS - AND SEEDS FOR THE ARBORETUM.
AND WHILE THEY'RE NOT PARTICULARLY HELPFUL FOR THE PROBLEMS OUR ANCIENT FRIENDS ARE EXPERIENCING, WE NOW HAVE A SUPPLY OF THE EQUIVALENT OF FIRST-AID KITS.
ELI'S TEAM FOUND A SET OF HAND-HELD SUBSPACE COMMUNICATORS THAT SHOULD ALLOW FOR A TEAM ON A PLANET TO TALK TO DESTINY WITHOUT THE STARGATE BEING ACTIVE OR NEEDING A SHUTTLE.
THE RISK IS, HOWEVER, THAT USING THEM WOULD PROVOKE THE DRONES.
EVERYTHING PROVOKES THE DRONES.
BUT THIS IS MORE GOOD NEWS THAN WE'VE HAD IN ANY GIVEN MONTH SINCE WE CAME ABOARD DESTINY.
YOU DIDN'T MENTION THE ENGINE ROOM.
THAT, COLONEL, IS BECAUSE IT HAS TO BE SEEN TO BE BELIEVED.



REMEMBER WHEN CARL SAGAN SAID "SPACE IS VAST." *THIS* IS VAST.
THAT'S AN UNDERSTATEMENT.
COMPREHENDING ALL OF THIS IS GOING TO TAKE SOME TIME, BUT WE ARE LIGHT YEARS BEYOND WHERE WE WERE IN TERMS OF UNDERSTANDING DESTINY.
A SHORT WHILE LATER...
YOU ARE HERE
ALL OF THE TOOLS WE'VE DISCOVERED TODAY WILL BE HELPFUL. THEY WILL ALSO PRESENT US WITH SOME DECISIONS WE HAVEN'T BEEN ABLE TO MAKE BEFORE.
DESTINY HAS GIVEN US A GATE ADDRESS WHERE WE CAN FIND THE MATERIAL TO SYNTHESIZE THE TRETONIN DR. GUZZO AND TJ NEED FOR VASI AND HER CREW.
YOUNG
WE KNOW THAT WE CAN'T GO THERE WITHOUT ATTRACTING THE DRONES AND AT LEAST ONE OF THEIR CONTROL SHIPS.
I DON'T WANT TO TAKE OUR NEWLY-RESTORED SYSTEMS FOR GRANTED BUT THE DESTINY THEY MEET THIS TIME WON'T BE THE ONE THEY'VE MET BEFORE.

I SAY WE GO.
AND IF WE SUCCEED, WE LEAVE THEM BEHIND US FOR GOOD.
TO BE CONTINUED!

FAR-TECH

If you know anything about sci-fi/horror, then you know that guy should not be doing what he's doing. See how it all explodes into a nightmarish, outer space, insect invasion apocalypse in METEOR SWARM #1, coming in January from American Mythology!

DO NOT BUY THIS COMIC!

Unless you couldn't care less that it doesn't contain logic, intelligence, class, coherent story structure, heartwarming moral lessons, or anything remotely resembling redeeming social value. It's just funny.

AS SEEN ON TV! Only if you put this comic book on top of it first!
